

He never suspected there was so much to the library...

A wide selection of new-release movies on VHS and DVD.

The latest music your parents can't understand.

TODAY'S LIBRARY. THINK...MORE!

We know. The word "library" makes you want to roll your eyes. But, since we've got your attention, we thought we'd tell you why you might want to visit your local library (and maybe even tell your friends about it).
